If you go with the train or the Berolina-bus please ask other travelers for their tickets. We can use them for people who travel a different route or go on another date! Hint: You can tell them, that you need the ticket for an „art project“, then you don't have to „explain“ so much... ;-)

To come to KuBiZ:

Don't buy individual long-term tickets. We can use group-tickets together to get around cheaper.

Only for your first trip to KuBiZ you can buy a Standard AB-Ticket which is 2.30€ - you can use it in the S-Bahn, Bus, Tram, Subway but only in one direction. It is valid for the whole town.

Arriving in Berlin via Bus (Bus-station ZOB Messe):

Go to the S-Bahn trainstation „Messe Nord/ICC“ Train „S41“ to „Graifwalder Straße“. Exit and go down. Take the TRAM „M4“ Direction „Hohenschönhausen Zingster Str.“ or „Falkenberg“. Exit the train at „Buschallee“.

Arriving in Berlin at Alexanderplatz (S-Bahn from Hauptbahnhof etc.):

Take the TRAM „M4“ Direction „Hohenschönhausen Zingster Str.“ or „Falkenberg“. Exit the train at „Buschallee“.

In direction of the tram go to the left in the street „Gartenstraße“. Cross „Falkenberger Str.“ and enter the footpath through the building. Go straight. Where the path gets tiny you can see the KuBiZ Building straight on. It's about a 5-minute walk from the tram-station.
